

PROJECT NAME: Weber State University Middle Eastern Culture and Religion Institute

RECIPIENT: Weber State University

LOCATION: Ogden, Utah

PURPOSE: Political, economic, and social developments in the Middle East impact the United States, which offer challenges as well as opportunities for greater economic and cultural benefits. Funding will be used to create a lending library in an Outreach Center, develop curriculum for K-12 educators, and provide an array of workshops and seminars for a general audience.

AMOUNT: \$950,000
